# Caselle Connect Accounts Payable Year-End Checklist – 2024

#### Welcome back!

Please download the latest Year-end Checklist from our website. Follow the steps below. The Accounts Payable Year-end Checklist is a list of tasks that need to be completed at the end of the year. These tasks will help you prepare your 1099 forms. The checklist can be downloaded and loaded using the instructions in the following section.

#### Download the Accounts Payable Year-End Steps Checklist

To download the 2024 Accounts Payable Year-End Steps Checklist, follow these steps:

- 1. Click here to visit our year-end website.
- 2. Under the Accounts Payable section, there is a section titled Steps Checklist. Right-click on Accounts Payable Calendar Year-End Steps Checklist.
- 3. Select Save link as...
- 4. Save the file to a location on your computer or network.
- 5. If the **Download complete** screen appears, click **Close**.
- 6. Open the **Connect** program.
- 7. Move your mouse's arrow to the Checklist on the right side of the screen so that it slides out.
- 8. Click the Manage Checklists button (clipboard with a checkmark).

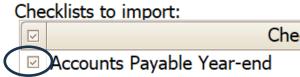

9. Click the **Import a Checklist** button (<u>vellow</u> folder with an arrow going into the folder).

- 10. Click Browse.
- 11. Navigate to the "AP Checklist Calendar.xml" file saved in step 4 above. Click Open.
- 12. Make sure the Add imported checklists to my view list checkbox is checked.

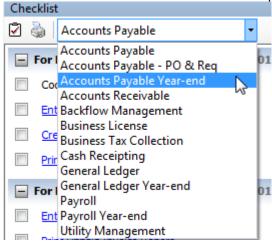

13. Check the box next to the new checklist you are about to import.

\*Note: If there was a year-end checklist that was imported in years past, the new checklist may be named with a number after it (e.g. Accounts Payable Year-end 1)

- 14. Click **OK**.
- 15. Click Close in the upper left corner and answer Yes to save checklists.

The Checklist should now be listed in the drop-down.

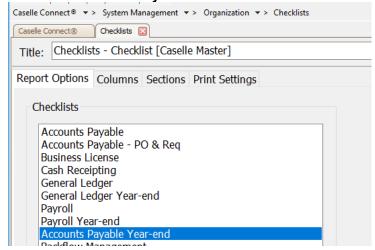

#### **Printing the Checklist.**

To print the Accounts Payable Year-End Checklist, follow these steps:

- 1. Login to Connect.
- 2. Move your arrow over Checklist on the right.
- 3. Click the Printer button.

4. Select the Accounts Payable Year-end checklist from the list.

5. Click the **Printer** button on the toolbar.

#### Need more help?

If you need more help, please contact **Civic Customer Service** at **(888) 241-1517**. Our hours are 7:00 A.M. to 5:00 P.M., M-F, CST.

Let's get started...

## **Perform Program Maintenance**

#### **Install Program Updates**

Make sure that the latest Connect release has been downloaded and installed before you complete the year end procedures.

You should be running release **2024.11.141** or later. If you're not sure what release you are running, login to Connect and look in the upper left corner. If the release number is lower than **2024.11.141**, you should download this version before proceeding.

## **Year End Processing**

These steps will walk you through the process of printing 1099's and closing the year in Accounts Payable.

The IRS changes 1099 form layouts almost every year. Make sure you have the latest program release installed. 1099/W2 & W3 instructions can be downloaded at <a href="http://www.irs.gov/formspubs/index.html">http://www.irs.gov/formspubs/index.html</a>

#### **Step 1: Verify the Federal ID Number**

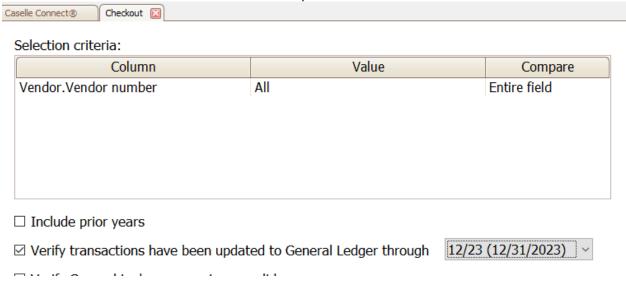

Verify that the Federal ID Number is correct.

- 1. Open Connect Accounts Payable > Organization > Organization.
- 2. On the General tab, verify that the Employer ID number is present and correct.

#### Step 2: Run Checkout

Run Checkout to help you discover any errors that need to be corrected before you continue.

- 1. Open Connect Accounts Payable > Organization > Checkout.
- 2. Check the **Verify that all transactions have been updated to the General Ledger through** check box. Make sure 12/YY is selected in the drop-down field.

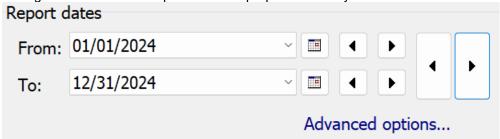

3. Click GO (CTRL+G).

If errors exist and you need help figuring out how to correct them, please call support.

#### **Step 3: Print 1099 Reconciliation Report**

Print this report for 1099 verification.

- 1. Open Connect Accounts Payable > Reports > 1099 Reconciliation Report
- 2. Choose the report you wish to review.
  - a. **1099 Reconciliation Report All 1099 Invoices [Caselle Master]** will show all Invoices marked as a 1099 Invoices regardless of the Vendor's 1099 Type.
  - b. 1099 Reconciliation Report All 1099 Vendors [Caselle Master] will show only the Invoices for those Vendors marked as a 1099 Vendor regardless of the 1099 Type marked on the Invoice(s).
- 3. Change the dates to correspond with the proper calendar year.

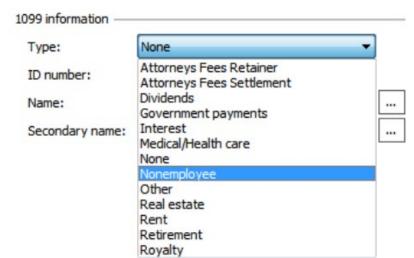

- 4. Click Print or Print Preview.
- 5. Review the information on the list. Vendors missing from the listing or invoices not marked as 1099 invoice can be corrected by completing the steps in the next section.

#### Step 4: Make Corrections for Vendor Type, 1099 ID

**Important note for Wisconsin!** – If you are a Wisconsin municipality, please make sure you pay close attention to step 5.

Follow these steps if to mark vendors as a 1099 vendor.

- 1. Select Vendors > Modify Existing Vendors.
- 2. Select the applicable vendor.

3. Select the proper 1099 Type from the **1099 Type:** drop down menu.

4. At the 1099 ID Number: field, enter the applicable 1099 ID number.

1099 ID number: 529-74-8046

5. **If you are a Wisconsin municipality**, make sure you update the **State code** field to "WI". This ensures the state electronic 1099 file is created correctly. No other state should be in this field other than "WI". If you are not in Wisconsin, please disregard this step.

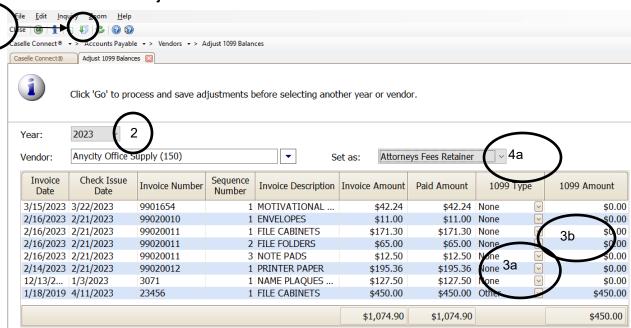

- 6. Repeat steps 2 5 for all applicable vendors.
- 7. Click Close

#### Step 5: Adjust 1099 Balances

If you have some vendors where the invoice(s) are not marked as 1099 invoices, follow these steps to mark as a 1099 invoice. Some 1099 vendors may have some invoices that may be a **None** type and you can follow these steps to clear the amounts.

4b

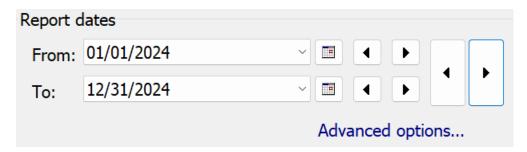

- 2. Verify the **Year** and enter applicable vendor number or click on drop down to search for the vendor. A listing of all the invoices for that vendor will appear in the box below the vendor's name. If the vendor's name does not appear in this drop down, you must go back to **Modify Existing Vendors** and change the vendor 1099 type to something other than **None** (refer to **Step 4** above).
- 3. Change 1099 Type/Amount for individual invoices:
  - a. Change the 1099 Type by clicking on the **1099 Type** field for the appropriate invoice and select the correct 1099 Type from the list.
  - b. If the 1099 Amount is incorrect, click in the 1099 Amount field and enter the corrected amount. NOTE: If the 1099 Type is **None**, the 1099 Amount must be zero, or you will receive an error message when attempting to run the process.
- 4. Change 1099 Type for all Invoices:
  - a. Change the **Set As**: drop down to the appropriate 1099 Type.
  - b. Click **Set All** to mark all Invoices as the 1099 Type in the **Set As** drop down.
- 5. As noted in the white information bar at the top, click 'Go' to save your changes before selecting another year or vendor.
- 6. Repeat steps 2 through 5 as necessary.

#### Step 6: Print FINAL 1099 Reconciliation Report

If any changes to the Vendor Type and 1099 ID were needed, print a **FINAL** copy of the **1099 Reconciliation Report** for 1099 verification.

- 1. Open Connect Accounts Payable > Reports > 1099 Reconciliation Report
- 2. Choose the report you wish to review.
  - a. **1099 Reconciliation Report All 1099 Invoices [Caselle Master]** will show all Invoices marked as a 1099 Invoices regardless of the Vendor's 1099 Type.
  - b. **1099 Reconciliation Report All 1099 Vendors [Caselle Master]** will show only the Invoices for those Vendors marked as a 1099 Vendor regardless of the 1099 Type marked on the Invoice(s).
- 3. Change the dates to correspond with the proper calendar year.

4. Click Print or Print Preview.

#### **Step 7: Convert Year-End 1099 Information**

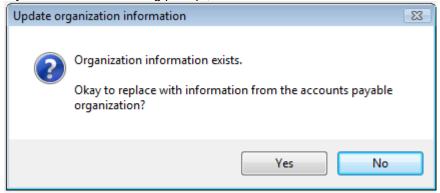

Convert the year-end tax information so that 1099's can be printed.

- 1. Open Connect Accounts Payable > Government Reporting > Convert Year-end Tax Information.
- 2. Verify the current year is displayed.

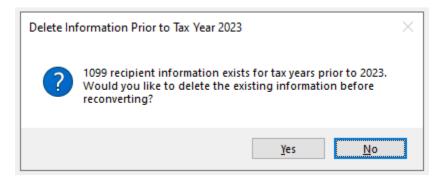

- 3. You have the option of including vendors with zero 1099 amounts by checking the **Include** vendors with a zero 1099 amount check box.
- 4. Click the **GO** button on the toolbar.

5. If you receive the following prompt, click Yes.

6. If 1099's were printed last year, the following prompt will appear. Click Yes. If you do not click Yes, 1099s will include data from both the prior year and the current year and you will need to control which year you are processing.

7. Click the **Print** or **Print Preview** button.

#### **Step 8: Review the Conversion Report**

Review the conversion report that printed in the previous step. If there are vendors missing or the amounts reported are incorrect, repeat steps 4 and/or 5 above. Note that all 1099 amounts will convert but you will have the option to only print those over the limit when printing/filing the 1099s.

#### **Step 9: Verify the 1099 Organization File Information**

Before you print the 1099's, you should verify that the correct identification numbers have been defined in the system.

- 1. Open Connect Accounts Payable > Government Reporting > Organization.
- 2. Verify or complete all information on the *General* tab.
- 3. Select the Federal tab.

4. Change the **1099 limits** to the proper amounts as defined by the IRS Instructions for Form 1099-MISC, 1099-INT, 1099-DIV, 1099-R, 1099-S, 1099-G, and 1099-NEC.

1099 minimum amounts —	
Miscellaneous:	600.00
Interest:	600.00
Dividend:	10.00
Retirement:	10.00
Real estate:	600.00
Government payments:	.00
Nonemployee compensation:	600.00
Cancel debt:	600.00

5. Click Close.

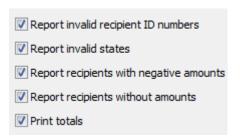

#### Step 10: Run Checkout 1099 Recipients

Run Checkout for 1099 Vendors.

1. Open Connect Accounts Payable > Government Reporting > Checkout 1099 Recipients.

2. Verify the proper tax year is selected.

3. Check all check boxes.

- 4. Click GO.
- 5. Review the report. If no errors exist, continue to the next step.

#### Step 11: 1099 Recipients - Verify Vendor Totals and Information

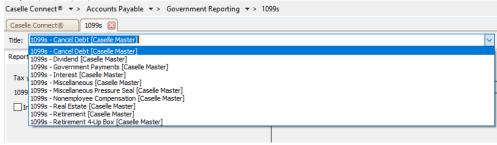

Review the report from the previous step and verify the totals and converted vendors are correct. If errors exist you can correct 1099 amounts by following the following steps. If all totals and vendors are correct, continue to step 12.

- 1. Open Connect Accounts Payable > Government Reporting > 1099 Recipients.
- 2. Browse the vendors using the scroll arrows in the upper right, typing the vendor number in the **Account number** field, or use the **Search** button.
- Correct information for each vendor as needed on the various tabs.

#### Step 12: Print 1099's

To print the 1099's, follow these steps. Please keep in mind that nonemployee compensation amounts will print on the 1099-NEC forms (which are 3 per page) and other amounts will continue to print on the 1099-MISC forms (which are 2 per page).

- 1. Open Connect Accounts Payable > Government Reporting > 1099's.
- 2. Select the appropriate report from the drop-down menu for the type of vendor that you are going to print 1099's.

- 3. If it is not already, uncheck the **Include 1099's below the minimum limit** check box.
- Click on the Forms tab and uncheck the following check boxes: Perform an alignment test, Print report setting, and Print report summary.
- 5. Print the forms initially to blank paper and verify alignment by clicking the Print button.
- 6. Select Yes to print the forms.
- 7. Click OK.
- 8. Review and verify alignment by laying the sample over the actual form. If alignment adjustments are needed, please call support.
- 9. Once alignment is correct, load forms into printer and print to the actual 1099 forms.
- 10. Repeat steps 2 9 for each type of 1099 that you need to print.
- 11. Click Close.

#### Step 13: Report 1099 Information to the IRS and State

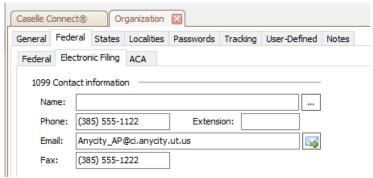

Are you issuing 10 or more 1099's and W-2's in aggregate?

- Yes, we are issuing 10 or more 1099's and W-2's in aggregate. You are required to submit your 1099 information electronically.
- No, we are issuing less than 10 1099's and W-2's. Submit your 1099 information
  according to the instructions that have been provided to you by the IRS. You can also elect
  to file electronically.
- Please note that States may have different electronic filing requirements.

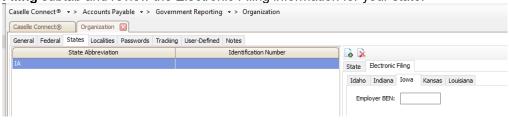

Tip! If you need to submit 1099 information using Electronic W2/1099 and the Government Reporting > Create Electronic 1099 File option is not available, please check your security settings to make sure you have access to that menu item. If you are still unable to access this menu item, please contact Civic Systems to purchase this feature.

#### Do this...

- 1. Open Connect Accounts Payable > Government Reporting > Organization.
- 2. Click on the **Federal** tab and then the **Electronic Filing** subtab. Verify the 1099 Contact Information.

3. If filing your 1099s electronically with your State, click on the **States** tab and then the **Electronic Filing** subtab and review the Electronic Filing information for your state.

- 4. Open Connect Accounts Payable > Government Reporting > Create Electronic 1099 file.
- 5. Verify the **Tax Year**, **File Path**, **File Name**, and **Transmitter control code** (this number must be applied for through fire.irs.gov; please note that it will take between 7-30 days for the registration to be completed and that the FIRE site is down for annual maintenance sometime in December 2024). If you are creating a file for your state and don't have a transmitter control code, enter five (5) zero's

- 6. Click the GO button.
- 7. Upload the federal and/or state files saved to the directory specified in steps 5 and 6 above to the FIRE site. Check back in a few days to confirm acceptance of the file.

#### Step 14: Update Year-End

To update the system to the new calendar year, follow these steps.

- 1. Open Connect Accounts Payable > Organization > Organization.
- 2. Change the **Current year** to the appropriate calendar year.

Current year: 2025

3. Click Close.

## **Congratulations!**

You have completed the Accounts Payable Year-end Closing!
